

2020 Jfest Vendor Policy

Being a Jfest Vendor is an important part of the Jfest Music Festival. Our Food vendors provide quality food and snack options that add to the overall Jfest experience. Jfest is committed to provide a variety of quality food vendors to satisfy our guests tastes and wants.

We are committed to provide a delectable food experience for our guests. We always look for vendors who will satisfy a variety of taste buds with an assortment of creative and delicious Festival Food offerings. To provide the best opportunity for our vendors and our guests, we carefully consider each vendor and their product offerings. When you submit an application, our team will review it first and then reach out to let you know if you have been approved.

All Vendors agree to remain open at least until the fireworks begin (approximately 11:00am-10:30pm). Gates open at 11:00am and the festival concludes immediately after the Fireworks (estimated 10:30pm). Please do not close down before the fireworks. Due to the Stage Schedule, closing hours are subject to change. No vehicles will be permitted into the festival area to break down and exit until all festival guests are out of the grounds and the “all clear” has been relayed by the Festival staff.

Set Up:

Vendors may set up on Friday, May 8 from 1pm-9pm and Saturday morning from 6am-10am. All vehicles not used in booth must be off of festival grounds by 10am so that the gates may open on time. All Booth areas must be cleaned up and cleared by Sunday 5/10/19 at 12 noon.

Hours of Operation extend beyond dark. Minimal lighting will be provided. Vendors are responsible for supplementing that lighting for their booth space(s).

Jfest will provide power and access to water.

All Food Vendors must have approved fire extinguishers and Safe Food Handling documentation

Festival security will be provided overnight on Friday only. Vendors are responsible for covering and securing their booths/supplies.

Booth Placement is based on, but not limited to the following:

Receipt of payment

Previous history with Jfest

Festivals desire to offer a quality assortment of Menu Items

Vendors are placed at the sole discretion of Jfest staff and placement during load-in is final.

Signage

Vendors are required to provide a sign for the front of their booth, displaying company name. Menus should be clear, concise (we recommend keeping it simple, with prices clearly listed), and visible from approximately 10' away.

Booth acceptance is based on the understanding that you will sell only those items listed in your application. You may not sell any additional items without prior express written consent.

Pricing:

Because we only have a limited number of vendor spots they are priced at \$750 per 10x10 space plus 10% of gross sales. Multiple spots can be purchased side by side.

Vendor spots are sold on a first come first served basis and only confirmed once the fee is paid.

The 90/10% gross sale split is done by the "honor system." Jfest does not require vendors to rent mandated festival provided cash registers or to use tokens/Jbucks. Vendors may accept cash or credit/debit cards and are responsible to provide festival with their total gross sales numbers. Jfest is a Christian Music Festival and chooses to treat our vendors with Godly faith and trust.

Before the festival ends each vendor will be presented and must sign 2 copies of a statement noting their total gross sales. One copy must be submitted to the Vendor Team Captain before tearing down and leaving the festival area. Vendors will have until Friday May 15, 2020 to submit payment of 10% of their total sales (and any income from consigned drink sales) to Partners for Christian Media using the self-addressed, stamped envelope that will accompany the form.

No soft drinks, bottled water or sports drinks may be sold unless consigned from festival and sold at festival pricing. (This is truly a service for your customers and not a part of the 90/10 split.

Vendors are allowed to sell teas, lemonades and fruit drinks by the cup

20lb bags of ice can be purchased from Festival for \$3.25 per bag. If consigning festival beverages ice is provided free of charge to keep those beverages cold.
